Gentlemen:

I am returning the enclosed order blanks and refund form with request for adjustment as regards item (Document No.) 1175, Lecture Series on Nuclear Physics, which you will notice has no indicative mark except in the price column. The document was not included in the shipment which has been received.

I would appreciate your checking this matter and sending the document if it is available, or, if not, adding the amount of \$0.55 to the amount of refund due me.

Thank you.

Sincerely yours,

RO:HL-
