Dear Mr Editor,

As I know you have started translation my book "Theoretical Physics" which you suppose to have publishing in two volumes.

I believe that it would be very essential that I should receive the proofs of the book in the process of its being printed.

In this case I shall try my best to eliminate misprints which might possibly appear.

Though my knowledge of Spanish is not sufficient to enable me to write this letter I can read and correct galley-proofs if necessary.

Will you please send the proofs (in two copies) to the address of Meshkiniga?

Looking forward to hearing from you,
sincerely yours
B. Levich
