UrBIOfuture Mid-Term Consortium Meeting & Co-Creation Workshop

The [UrBIOfuture Consortium](#) participated in the mid-term meeting of this project in Seville, Spain, on October 16th. The session was held at the headquarters of [CTA \(Technological Corporation of Andalusia\)](#), where the consortium partners presented the findings and progress of the first 6 months of this BBI Project.

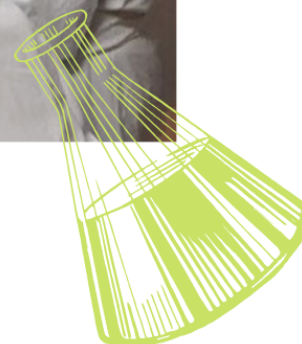

On the following day, October 17th, [CTA](#) organized a Co-Creation Workshop, which counted with the participation of the consortium partners and the Working Group. Nearly 30 experts linked to the bioeconomy gave their appreciations and evaluated the best practices to boost careers and educational programs in the bio-based industry in Europe.
