

A Problem

Suppose
a thread.

can it hold the
hills

upon it?

Dead Dreams

Dawn,
and lovers waken,

knowing
nothing new.

Reminders

Apples, falling
make
an old man cry.

Competition

In the mens room
sad comparisons

erase

the songs outside.

Definition

A man
stands

in the center
of himself;

looking out...

he draws a
circle.

Question

Why not,
tomorrow perhaps,
rip the silky cover
from this cursive year?
