look at the moon
and laugh your balls off
out there in the Blue Hills
the milky way sings a song
and Old Macbeth rises
from his Scottish Castle across the shore
walk through town
some cat with a hot rod
pulls out a confederate flag
and yells vote for Wallace
he's probably the guy
who threw shit in the kid's face
at the anti-war demonstration
Go out to the Blue Hills
7 Miles out of Manhattan Kansas
and look at the sky
Man creates war
and makes the machines that harvest the wheat
take your lover by the hand
and do a dance on her thigh bone
under a tree
or in the grass
and the milky way will smile down from the night sky
Out there by the old reservoir
Love is Boss
and Kansas whispers
Corn
Wheat
Motorcycles
Gasoline

Ain't for the Real Cats
Sorry to say I've had it
Had it up to my Neck
Walked the Miracle Mile didn't have a fucking dime
Just want to get drunk and Sing Songs
