

TRAVEL

my motive
is to make
a little
money for travel

the
only thing I
have learned
is (aside from
poetry)

candle making
I'll set up a small
candle
making hyena
of an
operation

and put my
drawings
signed by
ducasse
and my
paintings
up on
the wall

otherwise I
shall
never
travel

with 21 years
institutional education
a law degree
and 7 arrests
the malibu fishing pier
would not
hire me
to clean
polluted bass
