

Some birds

Sweeping  
pointy-winged

Black in  
a dull blue sky

This girl said  
her old man  
what a son of  
a bitch

She heisted a hoof  
on a fire hydrant

Pull the black  
panties up a bit

Just to show me  
just a few  
them blue marks  
he make

Son of  
a bitch

I won't

Waste breath again  
asking where  
we're at  
once snuggled in  
each other's ass  
who cares
