

Conversion

He wore a Palm Beach suit
and had one of those exotic
homemade first names
Karadamus
and the surname Boley

from a plantation past
A big black man
with a sweet spirit
and a great voice
who sang He gives me
peace

in the midst of the storm
until the TV cameraman
with his agnostic
earphones
began to jump and

stomp the floor
and cry out
Thank you Jesus
These freaks have been
right all along
