

EATING FISH

in the
summer
i'm going
to eat
a lot
of fish.
i'm
going
to find
a good
fish
restaurant
with
outside
tables
and i'm
going to
frequent it.
i intend
to become
a big
eater
of fish.
fish
will be
coming
out of
my ears
before
september
rolls
around.
i'll watch
the green
leaves
in the
trees
while
i eat
all these
fish.
i'll
eat
more fish
than
there
will be
leaves.

HOT
SUMMER
i lie on
the couch
listening to
a record

in my hand the
red water gun
for shooting
at spiders
but
right before
getting up
to turn the
record over

i shoot
the gun
twice
in my
mouth.
