DESERT WIND MADONNA

subsides as
fast as she
blew up

T BIRD MADONNA

is sleek a
luxury once
you've been
in her no little
compact no little
escort nothing
else will do

ON THE EDGE MADONNA: 1

doesn't see
enough difference
between "engaged"
and "enraged"

ON THE EDGE MADONNA: 2

her neck aches
from hanging
on and being
hung over

JUMP START MADONNA

thinks she can
get even your
old dead battery
to get her where
she wants to go.

BALLET CLASS MADONNA

keeps her
upper body
separate from
what's below
it like the
victorians

DENIM MADONNA

is dark and
stiff at
first then
gets light
and loose

LACE MADONNA

wants you to
want what you
can see and
what you can't
