

GAGAKU

there they are
 rolling around in some sort of wheel
 barrow
 wheels
 a rick shaw sort of
 wagon
 and they're in it and
 having a marvelous
 time
 maybe our demons have a better time than we
 at least mine seem to
 they write poems and look at the fun
 they're
having a better time than
 I

it's
 obvious

one of them is looking at his new
 75,000
 dollar
 swimming
 pool

now he dives in
 or is he a
 she

it
 dives in
 comes up and laughs
 waves its
 claws
 above
 water

GAGAKU

 better imagining her
 than having her
 last
 night
