about

a girl he loves

the best

better than all th'

rest

he

was

something

wish he was

alive

not

dead at 27

in a tub

in paris

he was here several

times

visited me

little

fuck

me

why? he was interested in

poets

last time he visited he guzzled from a pint

of jack D

it was 2 P M

and he was being driven about by a

fellow with a white

X K E

jag

now

a few moments ago I put GAGAKU MUSIC

on

and my imagination

is impatient to

guzzle

demons
