WORMWOOD subscription rates are: \$12/4 nos./yr. for both individuals and institutions. A patron subscription is \$24/4 nos./yr. Patrons receive poet-signed special sections and chapbooks. Free inspection copies are not available because of our very limited press run; however, individual copies may be purchased at \$4 each (includes first-class postage). Back issues 4-15, 7-44, 46-52, 54-62, 64-65, 68-70, 72-91, 93-94, 96-102, 104, 108-134 are also \$4 each postpaid. Supplies are limited; do not order multiple copies of a single issue. WORMWOOD will not knowingly reprint an already published work. Reprint rights are returned to all authors on written request without charge provided WORMWOOD is given an acknowledgement in print in all future publications. Our contents are indexed in the Index of American Periodical Verse (Scarecrow), Annual Index to Poetry in Periodicals (Roth) and American Humanities Index (Whitston). Microfilm volumes of WORMWOOD are available from University Microfilms, Ann Arbor MI 48106.

WORMWOOD mailings are done at no fixed times and a single mailing can consist of 1-2 issues. Nevertheless, all subscribers are guaranteed to receive 4 issues in a year's span of time. The press cannot respond to subscriber claims when the issues in question have not been released for mailing to all subscribers. Please keep us informed of changes in address, since the Post Office usually will not forward and only rarely provide the new address even when requested. If addresses are kept current, delivery of paid copies to subscribers is guaranteed up through and including Issue 144 (1996). Composition of WORMWOOD: 135 was completed on 18 September 1994 and the magazine is to be printed by Creative Printing/Printwell Press, 2232 Stewart St., Stockton CA 95205.
