

BUBBA

Lisa drove to Syracuse
& had to leave one
of her cats with us.
Bubba, raised in alleys
of San Francisco,
wouldn't come out of
garage for a week.
Maybe because we have
three dogs. Anyway,
Bubba is big
& tough & he's
worked out home
privileges. Right now
he's outside zeroing
in on suburban rats
that prance down
fence tops dividing
neighboring yards.
